

Madeley Nursery School

NEWSLETTER July 2018

Updates

Even in the sadness and loss that we all feel at the passing of our dear friend and colleague, the school has really pulled together to continue to ensure a joyful and exciting learning experience for children. I want to thank parents and carers in supporting us in this.

We have purchased the new outdoor building blocks with the fund raising monies collected by

Philip Strickland and Helen Torr. A big thank you to both of them for their heroic efforts and to everyone who sponsored them. The children are really enjoying the new resources.

The project work on *All Creatures Great and Small* has really captured the children's interests this year and motivated their learning. We wanted to thank you for supporting this and working with us, by working together our children flourish.

Bruno's Birthday—Family Day

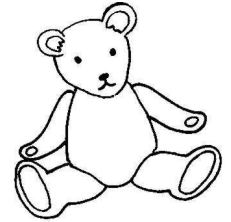

Wednesday 11th July 2019

9-11 am for morning groups

1-3 pm for afternoon groups

This is our final family celebration of the year. Please come along to share this day with your child. We will be asking for healthy contributions towards the party food.

Bring a bear to join in the fun.

Staying safe in the sun.

As the sunny weather continues we must all be aware of the ways to stay safe:

- ⇒ Slip on a t-shirt
- ⇒ Slap on some high factor sun cream
- ⇒ Flop on a sun hat
- ⇒ Stay out of the sun during the hottest parts of the day
- ⇒ Keep hydrated with plenty of drinks
- ⇒ Summer shoes with secure straps around the heel, flip-flop style shoes are not safe at nursery

End of year arrangements:

Please ensure all personal property is taken home.

Please return all nursery property.

- ⇒ If your child has popped some of the small equipment and toys in their pockets or bags please return them to us. Some of our equipment is missing and we cannot use it now.
- ⇒ Return all borrowed library books.

Watch out for the summer assignment.....

If your child is returning to Madeley Nursery in September 2018, look out for our new summer assignment with a focus on trees and woodlands.

The looking, finding out and talking that you do with your child really gives them a flying start to the new school year.
