

**MADELEY NURSERY SCHOOL INFORMATION FOR PARENTS AND  
CARERS FROM THE SCHOOL PROSPECTUS**

**Communication between home and Nursery about learning**

Close partnership working is a key principle at Madeley Nursery School. This is not only to support children's care and well-being, but also it is essential to ensure that every child learns and develops to their full potential.

We use many strategies to enable this to happen and we ask for your collaboration and partnership in this work.

Use your child's Celebration Book to add memories from home and to talk about what is happening in school.

Talk with staff when bringing and collecting your child from Nursery.

Take up the opportunity of meeting with your child's key worker each term at a parents meeting.

Join the nest group closed Facebook page. Here we have confidentiality and behaviour agreements to ensure that it is a safe and joyful space to share and exchange ideas and observations about what children are learning.
